

Andy Karwoski

Former Marketing and Branding Manager in Tokyo, Japan turned self-taught Frontend Web Developer.

Highly motivated and passionate, looking to leverage my past work experience and cultural background to push the boundaries of responsive websites and dynamic web applications.

WORK EXPERIENCE

Colorful Casting *(Tokyo, Japan/ Remote)*

Frontend Developer | 2/2021 - Present

- Creation of modular and reusable components
- App management and upkeep
- Implimenting and integrating E2E testing
- Creation of animations (news ticker, public profiles, navbar, clap animation, etc.)

TokyoMTG *(Tokyo, Japan)*

Marketing & Brand Manager | 7/2018 - 8/2020

- Built the company brand from the ground up, utilizing social media platforms; such as Twitter, Instagram and Youtube.
- In charge of full website and store redesigns.
- Managing bilingual events, content and public relations to increase brand awareness, not only in Japan, but worldwide.
